

Company policy

Passion, attention to detail, customer service aiming at its complete satisfaction and the search for the best quality of leathers are the principles on which the activity of B.S.Z.p.a. is based. , a company present since 1973 in the district of Arzignano, the heart of the leather processing sector.

The Team of professionals who form the team B.S.Z.p.a. , has demonstrated, over time, the necessary professionalism and competence to pursue the maximum satisfaction of its customers, loyal to them for many years.

To bring these primary objectives to the highest levels, the guidelines to be followed with the utmost commitment by each person of the Company are:

- Pursue the highest quality of products and services offered;

- Optimize processes to minimize order processing times;

- Guarantee a complete and flexible customer service, including sample leather on request;

- Enter new markets and consolidate our twenty-year presence in the world in foreign markets;

- Plan and control company processes and enhance our staff to pursue compliance with all applicable requirements;

- Carefully research, evaluate and control the leather purchased and the suppliers that collaborate with B.S.Z. S.p.A. in the processing of the same, to guarantee the best quality of the product offered;

- Implement all the actions necessary to pursue continuous improvement.

The specific objectives, consistent with this strategic vision, are defined at the periodic Management System Review meetings held by the Management.
